STATE OF CALIFORNIA

In the Matter of:

PARENTS ON BEHALF OF STUDENT,

v.

ROSEDALE UNION ELEMENTARY
SCHOOL DISTRICT.

OAH Case No. 2015090094

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On August 31, 2015 Parents on behalf of Student filed a Due Process Hearing Request¹ (complaint) naming Rosedale Union Elementary School District. On September 2, 2015, District filed a Notice of Insufficiency.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.³ These requirements prevent vague and confusing complaints, and promote fairness by providing the

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 United States Code section 1415(b)(7)(A).

³ 20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).

named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁴

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁵ The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.⁶ Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.⁷

DISCUSSION

The facts alleged in Student’s complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student’s complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Although not broken down into specific claims, a fair reading of the complaint reveals that Student is claiming that District (1) failed to appropriately assess Student for vision therapy, by relying upon an inappropriate assessment that had been conducted by Student’s prior school district; (2) denied Student a FAPE by not offering vision therapy services at the August 25, 2015, individualized education program team meeting; and (3) denied parental participation by not appropriately taking parents’ concerns into account at the IEP meeting. Therefore, Student’s statement of the claims is sufficient.

A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student has met the statutorily required standard of stating a resolution to the extent known and available to him, namely that he be provided with vision therapy services.
